

IOWA RADIO READING INFORMATION SERVICE FOR THE BLIND AND PRINT HANDICAPPED 2013 In Review: Steady Growth and New Connections!

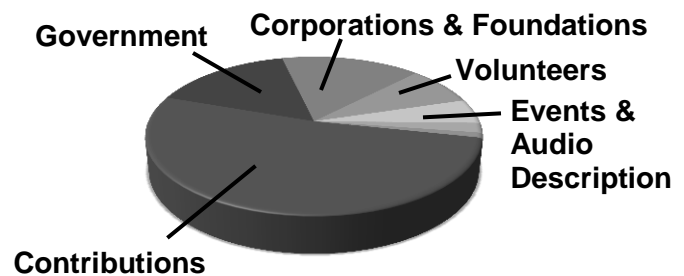

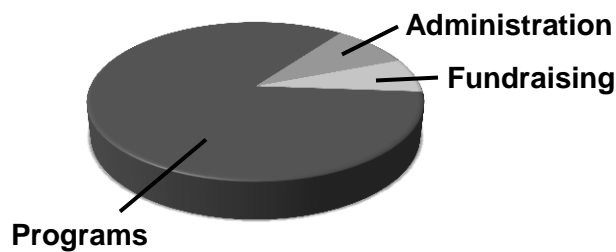

In 2013, IRIS hit the road to share the story of our volunteers. From Algona to Mount Pleasant, we demonstrated our services, resulting in 98 new listeners and funding partners in communities across the state. IRIS volunteers produced 63 more hours of recorded programming than the year before. Our Audio Description team now serves the DM Performing Arts Civic Center, the DM Community Playhouse, Ballet Des Moines and community events like Yankee Doodle Pops.

We marked the passing of volunteers Dorothy Kirsner, Richard Riley and Meg Speer, listeners Dorothy Janvrin, Marjorie Shuey and many other friends. We welcomed new friends like Helen Guernsey, the Community Foundation of Northeast Iowa and new volunteers in every location. We moved to a beautiful new studio at Friendship Haven in Fort Dodge and expanded our mobile presence to the iTunes Radio and TuneIn Radio apps. Proudly, we continued to provide all services and equipment at no cost to our listeners.

In this our 25th anniversary year, IRIS will upgrade all reading location equipment at a statewide cost of \$46,000 – in addition to our daily operational costs. In the coming months, listeners in Dubuque will hear the Telegraph Herald for the first time! Finally, we will take some time to celebrate 25 years of volunteers, listeners and friends. Celebrations are being scheduled across the state, culminating with our IRIS Silver Gala on September 4 in Des Moines. Mark your Calendars for this amazing evening!

I'm happy to report that the vision of our volunteer founders is alive and well at IRIS! My thanks to all the volunteers, listeners, friends and contributors who help us realize that vision every day of the year.

Maryfrances Evans – IRIS Executive Director
